### NOTE !

Please fill in carefully the **Service Order Form** and attach it with the shipment of the units to repair.

To ensure the best and quickest possible service it is important that the description of the defect is as clear and complete as possible.

Without a clear description, Aplicom can only provide a basic test of the returned products.

Please download the Service Order Form from [www.aplicom.fi/extranet](http://www.aplicom.fi/extranet) .
